

The Pedals That Make The Tone

For 30 years, BOSS has been the world leader in innovative guitar and bass effects pedals, multi-effects, rhythm machines, personal digital studios and more. With their unmistakable killer tone, BOSS pedals continue to define the sound of today's rock music.

For more in-depth tips, including which pedals to use for which sections, visit www.BossUS.com/tone

All references to specific artists and songs are strictly for comparison purposes. The artists referenced herein do not sponsor or endorse BOSS' pedals or Roland, and are not affiliated with BOSS' or Roland' in any way. BOSS' and Roland' make no representation regarding the actual equipment used by the various artists to achieve their distinct sounds.

Here are the tones for this month's songs. Use the pedals with level settings as shown, and chained in this order:

"Writing On The Walls" - Underoath
